

February 28, 1996 LB 604

SENATOR COORDSEN: Thank you. I see no lights on for discussion on the committee amendments. Did you wish to say anything in closing? We have an amendment to the committee amendment. Mr. Clerk.

CLERK: Mr. President, Senator Schrock would move to amend the committee amendments. His amendment is on page 935 of the Journal. (Re: AM3343)

SENATOR COORDSEN: Senator Schrock.

SENATOR SCHROCK: Mr. President and members of the Legislature, basically what this amendment does, it strikes the language "preschool-age" from the Standing Committee amendments and then it also strikes one sentence of the amendment on page 2, line 17. And then on the main bill, it also strikes on page 3, line 5, reference to "preschool-age" also. And then on lines 6 and 7, it strikes the last sentence of that. And it's, basically, just trying to clean up the bill a little bit because we thought...including this "preschool-age" language was inappropriate in that the word "sibling" could be used instead.

SENATOR COORDSEN: Thank you, Senator Schrock. There are no further lights on. Did you wish to close on your amendment to the amendment? Senator Schrock waives closing. The issue before the body is the Schrock amendment to the committee amendments. Those in favor please vote aye, those opposed nay. Record, Mr. Clerk.

CLERK: 29 ayes, 0 nays, Mr. President, on adoption of Senator Schrock's amendment to the committee amendments.

SENATOR COORDSEN: The Schrock amendment to the committee amendments is adopted. Anything further on the committee amendments?

CLERK: Nothing further to the committee amendments, Mr. President.

SENATOR COORDSEN: Senator Bohlke, did you wish to close on the committee amendments? Senator Bohlke waives closing...closing (laughs). I always know I'm going to do that. The issue before the body is the adoption of the committee amendments to LB 604.
